Project Charter

Parking Buddy · Lucky Vision Tech

Version **1.0**
October 29, 2026

Project Name	Parking Buddy
Client / Sponsor	UH Parking and Transportation Services
Project Manager	N/A
Timeline	August 3 – December 18, 2026
Budget	$160,517

> **Purpose:** Parking at UH keeps getting harder. Parking Buddy is a mobile and web app that helps drivers find, reserve, and pay for parking, and gives garage operators a dashboard to manage their spaces.

OBJECTIVES

- Launch the driver app and operator dashboard by December 17, 2026.
- Help drivers find an open space faster.
- Stay within the approved budget.

IN SCOPE

- Driver accounts
- Search and maps
- Reservations and payments
- Operator dashboard

OUT OF SCOPE

- Street parking meters
- Parking tickets and towing
- Valet and EV charging

KEY MILESTONES

Milestone	Date
Project kickoff	August 3, 2026
